

## **Citywise Education has some vacancies for EVS / Erasmus+ students starting early September 2018.**

The successful candidates will spend a year in Citywise Education Ireland based in Dublin. Accommodation will be paid in full and a small out of pocket allowance to cover meals and local transport will be paid. Arrival and departure flights will also be paid in full. Participants will be expected to work for between 30 – 39 hrs per week supporting the Citywise educational and sports programmes. There will be one English class per week provided (participants are welcome to arrange more classes in Citywise if needed. There may be a charge for these).

The ideal candidates will:

- Have good conversational English
- Be technically adapt with computer IT systems and able to use & update them
- Have experience with Microsoft and/or Apple OS and their most used programs - MS Office etc.
- Understand the concepts of computer coding and maybe be able to teach it
- Have an interest in teaching and/or Youth Work
- Be independent and able to live away from home
- Be flexible regarding job responsibilities

It would also be good if the volunteer had skills in the following areas:

- Scratch coding
- HTML / Javascript
- Strong Mathematical ability (to help deliver a numeracy programme)
- Previous teaching experience
- Sporting ability

Candidates need to be between the age of 18-30 years to be eligible for this programme. To learn more about Citywise Education you should visit [www.citywise.ie](http://www.citywise.ie)
