Your Coordinating Organisation

Jugend:info Niederösterreich is a coordinating organisation with many years of experience in volunteering coordination and in advising and supporting hosting organisations. Twice a year we organise an ESC Volunteer Day to get to know each other. We visit a chosen part of Lower Austria to learn and experience the local language, history and culture. Approximately every two months, around 15 volunteers from all over Lower Austria meet at the Jugend:info NÖ in St. Pölten to exchange ideas. Many friendships have already been forged here.
